Class D Classic 2000cc to 3499cc	4C
Class E Classic 3500cc to 4999cc	5C
Class F Classic over 4999cc	6C
Modern	
Class B Modern 0cc to 1999cc	2M
Class D Modern 2000cc to 3499cc	4M
Class E Modern 3500cc to 4999cc	5M
Class F Modern over 4999cc	6M
Clubmans	
Cars up to 1599cc	7
Cars over 1600cc to 1999cc	7A
Cars 2000cc and over	8
Race	
Any car running slicks	8
Open Wheelers	9
Regularity	REG

6) VEHICLE REQUIREMENTS & SCRUTINEERING

Self-declaration of vehicle safety is required. The appropriate Motorsport Australia forms will be issued with the pre-event information. A random sample of vehicles will be checked during the course of the day. Competitors will be advised at check in if their car has been nominated for a random check.

All vehicles eligible, including road registered vehicles, shall conform with the requirements of (a) General Requirements for Cars and Drivers, Schedule A and B of the Motorsport Australia Manual. Please note the following requirements:

- All **non road registered** vehicles must, if fitted with an opening front Panel (e.g. Bonnet), **utilise 2 separate fastening systems**. Road Registered Production Vehicles are exempt from this requirement.
- A **fire extinguisher** is mandatory and must comply with Australian Standards 1841 (save that extinguishers which meet A.S 1841.2 are not permitted). The extinguisher must be of at least 900g capacity and *be secured by a metal bracket* within easy reach of the driver. (Note: BCF/Halon extinguishers are now prohibited). The manufactured date (NOT Sale Date) must be less than 3 years old. Refer to Schedule H of the Motorsport Australia Manual for full requirements.
- All loose objects must be removed from the vehicle.
- Tyres to be fitted with **metal valve caps**.
- A **supplementary return spring** on each throttle must be fitted to non-fuel injected cars.
- A **blue triangle** indicating the position of the battery or isolating switch must be adhered to the vehicle.

- g) **Roll-Over Protection** is recommended for open cars. Schedule J of the Motorsport Australia Manual.
- h) **Helmet and Head Protection:** Where a helmet of an occupant could come into contact with the safety cage structure, protective padding must be applied to that area which complies with SFI Specification 45.1.
- i) **Body Protection:** Where the body of an occupant could come into contact with the safety cage it is recommended (but not mandatory) that flame retardant padding be fitted. SFI Specification 45.1 padding is suitable.
- j) **Drivers of cars with Log Books** must present their Log Book at check in.
- k) Any car towed or trailered from the circuit during practice or competition through damage or breakdown must be re-examined by a scrutineer before being allowed back on the track.
- l) **NOISE RESTRICTIONS: Vehicles which exceed 95dB** shall be shown a black flag with orange disc (meat ball flag), and shall cease competition, leave the track at the first available exit point, and not resume competition until the noise problem has been rectified and verified by the Chief Scrutineer. Times for that session will be cancelled. A second noise infringement will result in (1) all times for the day being cancelled and (2) the competitor shall not be permitted to compete for the rest of the day.
- m) **Engine Noise is to be restricted before 9:00AM. Road Registered Cars** must not be revved over idle speed while driving into the circuit. **Non-Road Registered Cars CANNOT** be started before 8AM.
- n) Where fitted, a rain light must be illuminated on instruction from the Clerk of the Course, or their representative, or as specified in any applicable Event or Sporting Regulations.
- o) Vehicles may compete without operating headlights, but if the Clerk of the Course determines that headlights are required for safety reasons, then Vehicles without operating headlights will not be permitted on the Track. Headlight Glass/Perspex must be clear and not coloured.
- p) Passenger Seats may be removed from Vehicles without affecting Class Eligibility.

7) EVENTS

1. Competition car numbers are allocated by the Event Secretary and all cars shall be required to carry regulation competition numbers clearly displayed on the Left and Right sides of the vehicle (Upper Door or equivalent area) as per [Schedule K](#) of the Motorsport Australia Manual. Those who have ordered adhesive numbers as part of their entry can collect them when picking up their Dorian.
2. All drivers will be allocated a Dorian transponder (serial numbered). This shall be the responsibility of the driver to pick up from the nominated garage, and returned when no longer required. Failure to return the transponder will mean the competitor re-imbursing the MSCA for the replacement cost. For cars without a fitted Dorian bracket, a supermarket type cloth shopping bag can be used to carry the transmitter. Drivers with personal Dorian transponders must advise the Event Secretary of the Dorian transponder serial number on the MEECAMS system.
3. Run groups and car number allocation will be set by the Event Secretary and drivers advised on the Thursday before the event. Subsequent run group changes may be announced at the track on the day. No re-runs will be given for mechanical failure or driver error; however, any re-run allocated by the Clerk of the Course to a competitor or run group must be taken as directed. The decision of the Chief Timekeeper about times recorded shall be final.
4. The Flags to be used at this event are shown in Schedule 1 attached and are as described in the [Motorsport Australia](#) Manual.
5. The first lap of each run group will be conducted under yellow flags behind a course car. Overtaking is strictly prohibited until you have passed the green flag at the start line.
6. **Super Sprint Groups:** Will be decided by Class, using the fastest lap time of each Competitor. All runs up to 5 sessions (but most likely 4) will be timed; additional timed sessions will be advised before the start of subsequent runs. The length in time of each run will be up to 20 minutes. Announcements concerning changes to the number of cars in a group or number of groups may be announced to competitors after the first session has completed.
7. **Regularity:** The Regularity event will be run in groups specified by the Event Secretary and a sub Committee Reporting to the Event Secretary. This event is based on the Regularity Trial Standing Regulations
 - a) Competitors for this event will be subject to all previous sections of these Supplementary Regulations
 - b) Priority will be given to Classic Marque Sports Cars as distinct from Modern Cars.
 - d) Mechanical, Electrical or Electronic Devices to measure speed or time are forbidden. Standard Speedo, Tachometer and Clock are exempt.
 - f) Regularity groups will compete in order as advised by the Event Secretary and/or Sub Committee.

- g) An Initial Target run of timed laps, under conventional Super Sprint conditions will be used to establish a nominated time
 - h) At the completion of this run, all Regularity Competitors will receive their times and together with the Regularity Committee, will review and declare a mutually acceptable nominated time for each competitor, and advise the Chief Timekeeper of the nominated times.
 - i) Each run will then be set determined by the Nominated Times into similar speed order.
 - j) Competitors will start each run with 1000 points. For a lap time faster than the nominated time, 2 points per half second or part thereof will be deducted. For a lap time slower than the nominated time 1 point per half second or part thereof will be deducted.
 - k) Cars failing to complete a run session shall be awarded a penalty equal to the worst score of the run minus 10 points.
 - l) The Competitor retaining the highest number of points totaled over all runs is the winner.
8. **Outright Championship:** Points counting towards our end of year Outright Championship (MSCA Club Champion), will be awarded on the basis of, 10 points for the fastest entrant, 9 points for the second fastest, etc. Points will accumulate during the year for all rounds

8) SAFETY EQUIPMENT

- a) All competitors will be required to be dressed in long-legged trousers and long-sleeved shirts, or other outer clothing made of non-synthetic material. Shoes must have leather uppers. Refer Schedule D of the Motorsport Australia Manual. https://www.motorsport.org.au/docs/default-source/manual/general-requirements/2022/2022-schedule-d.pdf?sfvrsn=57612c62_8 It is highly recommended that drivers wear gloves that comply with FIA Standards.
- b) Helmets must comply to schedule D of the Motorsport Australia general requirements as per following link. https://www.motorsport.org.au/docs/default-source/manual/general-requirements/2022/2022-schedule-d.pdf?sfvrsn=57612c62_8
- c) Whilst the use of FHR (HANS Device) is not mandatory for road registered cars in speed events. If your seat-harness-helmet combination will accommodate its use, the MSCA strongly recommends the use of an FHR.
- d) All open cars including a convertible car with its roof down, the driver must wear a visor complying with AS 1609-1981. Goggles with glass lenses, whether laminated or not, shall not be acceptable.
- e) Seatbelts must be fitted to the vehicle and must comply with Schedule I of the Motorsport Australia Manual https://www.motorsport.org.au/docs/default-source/manual/general-requirements/2021/schedule-i.pdf?sfvrsn=7406193f_5

9) GENERAL

- f) Gates will open at 7.00 am and close by 6.00 pm. Competition will cease at 5.00pm.
- g) The maximum vehicle noise of a competing vehicle shall not exceed **95dB** (A) measured at a point 30 metres from the track edge by approved measuring equipment. Noise levels will be measured by the track owner's appointed staff member.
- h) Competitors agree as a condition of entry to help with tasks necessary for the smooth running of the Event as and when directed by Official/s on the day.
- i) The fuel used shall be only commercial fuel as defined by Schedule G of the Motorsport Australia Manual of https://www.motorsport.org.au/docs/default-source/manual/general-requirements/2022/2022-schedule-g.pdf?sfvrsn=3b0a6e2f_6
- j) Smoking or naked flames shall not be permitted in the pits or within 6 metres of any refueling areas. The engine shall not be running during the refueling of any vehicle. Vehicles must be re-fueled in the paddock area.
- k) In accordance with our track hire with PI Operations, a maximum of 20 litres of fuel per car may be stored in each garage at any one time. Additional fuel must be stored outside the garage in the paddock area.
- l) Any cost incurred by the organisers from the venue for repair or clean-up of the circuit or grounds, due to action or incident caused by a competitor, or competitors, will be the responsibility of the competitor, or competitors, to reimburse.
- m) The organisers reserve the right to stop the event at any time they consider necessary in the interest of safety, or for any other reason. A breach of the Motorsport Australia COVID-19 Return to Race requirements and the MSCA OHS COVID-19 Policy may also cause a delay to the event.

- n) A speed limit of 10km/h shall apply in the paddock area and dummy grid.
- o) Protests must be lodged in accordance with the NCR
- p) The Event Organisers reserve the right to cancel, abandon or postpone the event in accordance with the NCR. Changes resulting from the government's response to the COVID-19 pandemic may also result in the event being cancelled.

10) ALCOHOL, DRUGS AND OTHER SUBSTANCES

The holder of a Motorsport Australia Licence (or a Licence issued by another ASN) may be tested for the presence of any drug or other banned substance and subject to a penalty for a breach of the Australian National Anti-Doping Policy and/or the Motorsport Australia Illicit Drugs in Sport (Safety Testing) Policy at www.motorsport.org.au.

Consumption of alcohol in the paddock, pits or any other Reserved Area is prohibited until all Competition is concluded each day. The holder of a Motorsport Australia Licence (or a Licence issued by another ASN) may be tested for the presence of alcohol by a Motorsport Australia Accredited Testing Official (CATO) in accordance with the Motorsport Australia Alcohol Policy at www.motorsport.org.au.
